

LAKEWOOD PHASE III FACILITIES PLAN COMMITTEE

Agenda

June 18, 2009, 6 p.m.

Lincoln Elementary School

This is a Thursday meeting. The Committee will hear a report from each Subcommittee and come to preliminary consensus on the proposal(s) for consideration at the September Community Forum.

To celebrate Summer and since this meeting needs to be longer to accommodate discussion of the proposal(s) and rationale by each subcommittee, the Coordinating Council is arranging for complimentary pizza and drinks so the meeting can begin at 6 p.m. This is a very important meeting!

Opening – 6:00 p.m.

- Welcome – Ed Favre— President, Board of Education

Subcommittee Work Sessions with Pizza and Refreshments (25 minutes: confirm report and rationale)

- Collect attendance sheets (✓-mark and include mailing address if no email address available)
- Prepare oral report and rationale for the Subcommittee's 6-school proposal(s)
- Goal for each respective Subcommittee is to answer and provide rationale for the following major questions:
 - ✓ Building Site: How well does the site accommodate the Lakewood elementary school footprint?
 - ✓ Transition: How does the 6-school configuration impact students during transition (particularly short term distance and safety)?
 - ✓ District Configuration: How well does the 6-school configuration satisfy distance and safety criteria (long term)?

Subcommittee Proposal(s) and Rationale Presented to the Full Committee (15 minutes each)

Small Group Discussions (Regroup with 2 members from each subcommittee for discussion and post a chart (provided) with responses to the following questions for the proposal(s):

- A. Does the proposal work for 50 years?
- B. Does it take the entire community into account?
- C. Does it have the greatest positive impact on families?
- D. Does it have the greatest potential to improve teaching and learning?

Break and Review the Posted Charts from each Small Discussion Group (15 minutes)
