___ Enclosed is **\$5 per person** to become a PTA member and be added to our "e-week" newsletter. The newsletter is full of information about our school, not just PTA activities. It informs you about school activities as well as opportunities to get involved at school.

___ We are unable to afford the membership fee at this time but would still like to become more involved in the Lincoln Elementary Community.

___ I would like to make an additional tax deductible donation to support a new initiative: *Reflex Math*. This system uses research-proven methods and innovative technology to help our Lincoln students make major gains in math fact fluency.
