

Notes from the School Nurse:

- If your child has medication at school, please remember to pick up the medication by the last day of school. Any medications not picked up by the last day of school will be disposed of.
- Please remember that new medication forms and action plans are required at the beginning of each new school year. Parents of students who have a medication form and/or action plan on file will receive new forms in the mail. Please complete these forms with your doctor and have your child bring them to the office on the first day of school in August.
- If you have any questions, please call me. Thank you!

Mrs. Andrea Lagzdins, RN, BSN, MEd
School Nurse
