

Assistive Technology Services

Dear Parents and Students:

The Lakewood City School District is pleased to provide the following information to students as a resource for locating alternative modes of text. The following chart contains all the summer reading assignments for grades 9-12, as well as the location and available formats (Etext, books on CD, books on tape, large print, etc.). ***Students are responsible for obtaining personal library cards, signing out materials and ensuring timely return of materials.*** This list also includes resources which could make access to text and written communication easier from some learners.

Enjoy a safe and relaxing summer,
VernaAnn M. Kotansky, MA CCC/SLP
