

Courtesy Meal  
Nutrition Service Department  
Lakewood City Schools

We understand that sometimes money gets misplaced and forgotten at home. The best way to avoid this situation is by taking advantage of the online prepaid system that is available for the student meals or prepaid with cash payments to the Nutrition Service Department. We encourage all families to take advantage of these pre-paid services.

Should a student come to school without money, or without a packaged meal, they will be offered free of charge a Courtesy Meal which consists of a Whole Grain Cheese Sandwich and a Chilled 100% Orange Juice.

This institution is an equal opportunity provider.
