From the Treasurer:

We are pleased to present the Lakewood City School District's Financial Update for the fiscal year ending June 30, 2021. This report makes our District's finances easier to understand, and is intended to communicate our financial situation in an open and accountable manner.

The Financial Update summarizes the financial activities and operating results reported in the Lakewood City School District's audited Annual Financial Report. The Financial Update is unaudited and presented on a non-GAAP (Generally Accepted Accounting Principle) basis, which primarily deals with full disclosure and segregated funds.

The statement and the pie charts presented on these pages consist of the General Fund of the District. The General Fund is the largest fund from which most day-to-day programs and services are provided. The influx of federal funding related to the multiple coronavirus relief programs had a positive impact to expenditures in FY 2021. These one-time dollars are being used to help offset additional expenditures associated with the District's response to the pandemic. For more detailed financial information, including a discussion of key changes in financial data from last fiscal year, our economic condition and outlook, initiatives and accomplishments, please refer to a copy of the Annual Financial Report. The Annual Financial Report will be posted to the website (www.lakewoodcityschools.org) upon completion of the audit process (generally in December).

The Lakewood City School District is proud of this report and the support offered by the Board of Education in its creation. Ultimately, we would like to thank our citizens for their encouragement in creating a report designed to more adequately address their needs as taxpayers, as well as for the opportunity to serve them. Questions, comments and feedback regarding this report are encouraged. Please do not hesitate to contact me at (216)529-4096 or kent.zeman@lakewoodcityschools.org.

Respectfully submitted,
Kent R. Zeman, CPA
Treasurer/CFO

FINANCIAL ADVISORY COMMITTEE

In 2013, the Board of Education created a Financial Advisory Committee to work with the District treasurer, superintendent, and the Board member assigned to the Finance Committee. The purpose of the committee is advisory in nature and to work in a cooperative and collaborative manner in the following areas: review the annual state audit and address any concerns; conduct a pre-audit and post-audit meeting; share business and financial "Best Practices;" review the Five-Year Forecast; and make an annual report to the Board.

The committee is comprised of three citizens who are Lakewood residents appointed by the Board. The Board sought citizens with financial and/or audit experience, such as CPAs, CFOs, CEOs, or bankers. In order to establish a rotation of filling one position each year, the first set of appointments include one member serving three years in length with the other two appointments being one- and two-year terms each.

The committee meets four to five times a year. Meetings dates are posted on the District calendar at www.lakewoodcityschools.org. Meetings are open to the public.

Mr. Robert Torok – term expiring 12.31.21 (Vacancy)

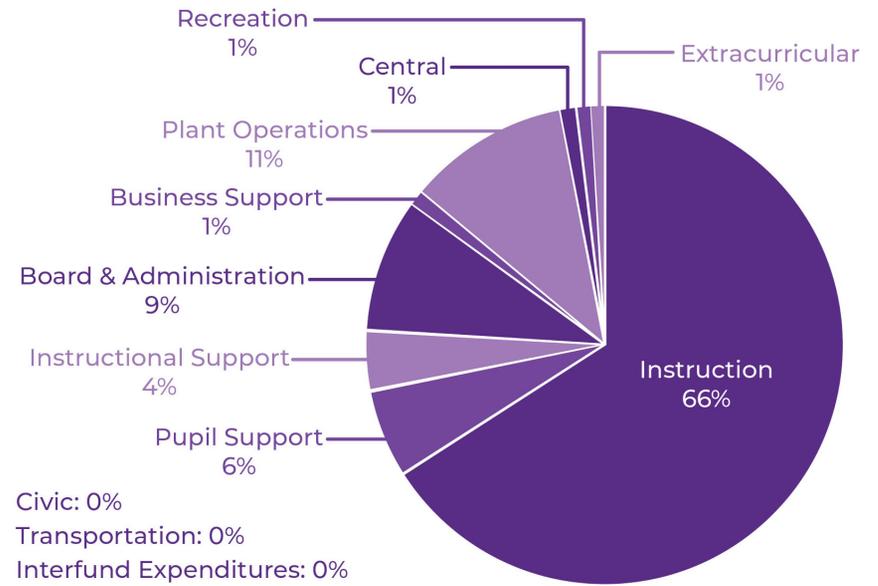

Mr. Peter Nelson – resigned recently; term ran until 12.31.24 (Vacancy)

RECREATION DEPARTMENT COMPARTMENT: IT'S YOUR PLAY

This space will serve as a quarterly update on all the current and upcoming events related to the Rec Department.

Need something to do over the cold, winter months?

Go to one of the many athletic contests to cheer on our student athletes at Lakewood High, Harding and Garfield. Stop up at the high school pool to take a dip, jump off the diving board or swim laps. If it's too cold to walk

outside, come join our Fitness Facility that features an indoor walking track! All this information is available on our website: www.lakewoodrecreation.com.

One of the many and exciting partnerships we have is with Empower Sports, a non-profit organization that provides sports and exercise programs for children and adults with various physical and cognitive disabilities. We are specifically offer-

ing our upcoming programs to Lakewood City Schools students and Lakewood community members. Beginning March 3 - April 21 in the Garfield gym, we will once again have our basketball program from 6 - 7:15pm. Register through Empower Sports at www.empowersports.org. We welcome and encourage all volunteers for this program and if you are a student, you will be able to earn service hours. It is

a great opportunity for anyone to come help coach, play with the participants or simply cheer them on. Volunteers are a huge part of Empower Sports success, plus the athletes love to meet new people.

The department's next catalog is now available and on our website. If you have any questions about our activities or are interested in offering an activity, contact our office!
