

Electronic Signature on IEPA

1. On signature page, click on the small icon of the pen.

2. Type in your name and sign in the larger box

- a. To sign you need to click on hold down mouse and then sign with your finger or mouse (similar to how you do it when you are making a purchase with a credit card)

3. Click on 'Adopt and Sign'

4. Signature will show up on the line
