LAKEWOOD TEACHERS GOLF ASSOCIATION

Our tee time is from 3:30 to 4:30, so please get out here as soon as you can. We are really tight on our tee times, so if your group is there before 4:00, please get on the tee and go! We are the first league of the day, and if we are slow, we delay all the leagues that play after us. A nine hole round of golf should take no more than two hours and fifteen minutes. If there is a hole open in front of you and your group is holding things up, please wave up the group following you. If you are holding your group up, please use the maximum number of strokes rule and pick up your ball.

There will be foursomes scheduled in both divisions golfing the same nine holes each week. Remember a team member must check in with a starter by 4:25 or that team technically forfeits.

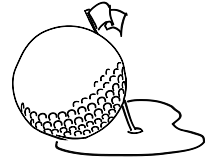

Scoring will be done as in the past: double bogie= $\frac{1}{2}$ point; bogie=1 point; par=2 points; birdie=4 points and eagle=6 points.

The winning team will be the one with the most aggregate points over handicap (or the least under as the case may be). Teams will receive standing points in the following manner: win = 2 points; tie = 1 point and loss = 0 points. See league rule #4.

Handicaps are determined as follows:

1. Returning 2021 golfers: Your handicap for the entire year was determined by dividing your total gross points for 2021 by the number of rounds you played. (All fractions are discarded).
2. New golfers: You will need to establish a handicap. For each of your first two rounds your net score will be -1, if you are playing in a foursome with golfers who have handicaps. If none of the golfers in your foursome has a handicap, the team scoring the most points will be determined the winner. For your third round, your handicap will be the average of the points you scored on your first two rounds. After your third round, your handicap for the rest of the year will be fixed at the average of the best two of your first three rounds. (Round up)
3. League members from previous years who did not golf last year: Your temporary handicap was determined by your record for the last year you were in the league. This handicap will hold for the first 3 rounds. After that, your handicap will be fixed as the average of the best two of your first 3 rounds. (Round up)

LAKWOOD TEACHERS GOLF ASSOCIATION

The golf season will begin on Thursday, April 7th at 3:30 p.m. at Bob-O-Link Golf Course on Rt. 83 in Avon. Tee times will run from 3:30 p.m. to 4:30 p.m. The season dates stand as follows: Thursdays April 7, 14, 21, 28, May 5, 12, 19, 26, and June 2. Knock-down will be on May 26th and the year-end picnic/ banquet/ awards ceremony will be on June 2nd.

The registration cost will be \$40.00 per person. This will pay for prizes, awards and the end-of-the-year celebration complete with burgers, hotdogs, brats, and veggie burgers.

Register your intent to play by school mail or via USPS on or before March 31st. Send your registration form, lower portion of this paper, and a check for \$40.00 to Dave Hille at Lakewood High School Main Office or to Dave's home at 4239 West 211th Street Fairview Park OH 44126. Please be sure to include your partner's name or let me know if you are requesting a new one.

Our league will have two divisions of up to 10 teams per division. We will take golfers that played last year first and then open it up to ANYONE else interested in joining us...spread the word! We are looking to grow the league!!!

We will continue to have alternates. This process has worked very well in the past. If your team wants a third person, that person also has to pay the \$40 league fee. If they haven't joined us, then they will establish their new handicap over the first three times they golf with us.

If you have any questions about this process, please call/text Dave Hille at (cell) 440-391-7599.

Copies of this letter have been sent to all of last year's participants with email. Partners of non-email users, be sure your partner gets this information also. If you know of any others who would like to play, have them call Dave Hille at the above cell phone or at (home) 440-331-4231. Schedules, handicaps and other information will be published and sent out before April 7th.
