2021 LCS SUMMER LEARNING

General Information – SESSION I and II

CLASS DATES:

Session 1: June 7 - June 24, 2021

Session 2: June 28- July 15, 2021

CLASS HOURS: (Monday - Thursday)

High School 8:00 a.m. - 1:00 p.m.

Middle School 8:00 a.m. - 12:00 p.m.

LOCATION:

All classes will be held in-person at **LAKWOOD HIGH SCHOOL** this summer. The address is **14100 Franklin Boulevard**, Lakewood, OH 44107. Students who drive may park their cars in the south parking lot in front of the school. Bicycle racks are available on site.

TUITION:

Tuition must be paid in full at the time of registration for students not registered with LCS for the 21-22 school year.

Those registered with LCS for the 21-22 school year may attend at no cost to the family.

*As summer school is self-sustaining, meaning that receipts from tuition offset course costs, we reserve the right to cancel any course due to insufficient enrollment. All courses are offered on a minimum enrollment basis. Class cancellations will be communicated as soon as possible and a refund check will be issued by the Lakewood Board of Education. Please allow at least two (2) weeks for processing. Refunds will be made only if a class is cancelled. Students who withdraw from a class within the first two (2) days of the session will receive a refund. **No refunds will be issued for withdrawal after the second day of instruction.***

GENERAL RULES:

All summer school students are expected to comply with the Lakewood Board of Education behavior expectations, Student Code of Conduct and the laws of the state of Ohio. A copy of the Student Code of Conduct and dress code policy is available in the summer school office and can be found online at www.lakewoodcityschools.org. The administration has the right to remove a student from the summer school program, without refund, for discipline and/or attendance reasons. General rules and expectations will be discussed at the opening assembly.

REGISTRATION:

Registration forms are available on the Lakewood City Schools website. Each student must have a registration form completed by their parent in order to register. For non-Lakewood students, it is the responsibility of the student to make sure their home school will accept and award high school credit for summer school classes. **Please note that only mail or online registrations will be accepted. Registration for 6 week and/or Session 1 courses closes June 4.**

Registration by Mail:

Registration forms can be mailed to: LHS Summer School, 14100 Franklin Blvd., Lakewood OH 44107.

Online Registration:

Registration forms can be completed online using the Summer School Registration Form on the Lakewood City Schools website.

ATTENDANCE POLICY:

There are NO excused absences in the summer school program. Students enrolled in a 3-week course may not miss more than 1 day of school and students enrolled in a 6 week course may not miss more than 2 days of school. Online classes are also included in this attendance policy – students are required to login during required sessions. Three tardies equal one absence—a student will be counted tardy if he/she is late to school or after a class break. Tardy over 30 minutes equals a 1/2 day absence. Tardy over 1 hour will count as a full day absence. If a student is withdrawn from class for poor attendance, he/she will receive an “F” grade and will forfeit all tuition. **Exceptions CANNOT be made for summer camps, family vacations or illnesses.**

GRADE REPORTING:

3-week courses:

Interim reports will be emailed to students/parents on 6/16//21 for Session 1. Session 1 final grade reports will be emailed to students/parents on 6/24/2021.

Interim reports will be emailed to students/parents on 7/7/2021 for Session 2. Session 2 final grade reports will be emailed to students/parents on 7/15/2021.

6-week courses:

Interim reports will be emailed to students/parents on 6/24/2021. Final grade reports will be emailed to students/parents on 7/15/2021.

A summary sheet will be sent to each home school in August providing a list of students, classes, grades and credits earned through the Lakewood City Schools Summer School Program. In addition, students should provide their home school guidance counselor with their final summer school report card.

Summer School Voicemail
High School: 216-227-5906
Middle School: 216-227-5783

Please leave a message with your name, student's name and a phone number and your call will be returned as soon as possible.

ORIENTATION FOR BOTH MS AND HS WILL TAKE PLACE ON JUNE 7
BEFORE INSTRUCTION BEGINS IN EACH CLASS

All courses and programs are offered by the Lakewood City School District without regard to race, color, religion, national origin, creed, gender, marital status, disability, or age in its educational programs, activities, employment policies or admission policies and practices as required by Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973.

2021 LCS SUMMER LEARNING

High School Course Descriptions

3-WEEK COURSES

Physical Education

1/4 Credit **Open to Grades 9-12** **Prerequisite: none**

Students will learn about their base fitness levels and how to improve them, by creating a personal fitness plan, along with learning about the five components of fitness and how to use them. The course will also teach students about team sports (basketball, floor hockey, touch football, ultimate frisbee, badminton, soccer, softball, and volleyball) strategies, rules, and procedures. Semester credit is given for completing sequential quarters successfully. **(Students who are incoming 9th Graders to LHS are encouraged to fulfill their PE requirements during summer school)**

Health

1/2 Credit **Open to Grades 10-12** **Prerequisite: none**

Topics covered include: wellness and prudent lifestyle factors; fitness for life; first aid and CPR; nutrition and weight control; mental and emotional health; human sexuality; AIDS and other STDs; tobacco; alcohol and substance abuse. Course requirements include reading, weekly homework assignments, credits tests and quizzes, and a well maintained notebook. It is required to fulfill the graduation requirement for Health.

Practical Skills & Communication

1/2 Credit **Open to Grades 11-12** **Prerequisite: Successful completion of English 9 and 10**

The course is a one-half credit elective open to any student who has completed three years of English. It is intended for non-college bound students interested in improving verbal, written, and interpersonal communication skills needed for success in the workplace and everyday life. Communication skills are developed through class discussion, formal and informal oral presentations, and written projects. Students read appropriate literature to foster both reading and writing skills. There is a possible workbook or paperback book expense.

Contemporary Reading Skills

1/2 Credit **Open to Grades 11-12** **Prerequisite: Successful completion of English I and II**

The course is designed to enhance and develop students' reading abilities, skills, and appreciation through the use of contemporary materials. The course includes study of the functions and composition of a newspaper, in addition to the analysis of periodicals. The course requires the reading of at least two full-length works of fiction and/or non-fiction. This class is designed for the student who enjoys and appreciates reading. Paperback book expense is possible.

Government

1/2 Credit **Open to Grades 11-12** **Prerequisite: none**

The course will introduce the student to the fundamental principles and processes of our government and to the inner working of our American political system. This course will be activity oriented and will attempt to prepare students to be voting participants in our democracy.

6-WEEK COURSES

World History

Full Credit **Open to Grade 9** **Prerequisite: none**

In this course students study global political, diplomatic, economic and intellectual change from 1775 into the 21st Century. Students use a range of social

US History

Full Credit **Open to Grade 10** **Prerequisite: none**

This course covers United States History from 1877 to the present. The purpose of the course is for students to examine the key political, diplomatic, intellectual and economic changes that have shaped the American experience over time. Students use social studies skills and methods to better understand contemporary American society, politics, and economics. Also includes a financial literacy component.

Algebra 1

Full Credit **Open to Grades 9-12** **Prerequisite: Previously attempted Algebra 1**

This course is the foundation for all future math courses. In this course, algebra topics are integrated with applications, statistics, probability, and geometry. Graphing lines, and the study of functions, systems of equations and inequalities, polynomials, and square roots are elements of the course. Many topics are woven together with the study of geometry, and applications are emphasized throughout. *Reading and daily practice are critical to student success in this course.* Demonstration of Math proficiency is required. Students taking this course are *required* to have a graphing calculator (We recommend TI-83 Plus or higher). This course should be taken for credit recovery only.

Algebra 2

Full Credit **Open to Grade 12** **Prerequisite: YES, Previously attempted Algebra 2**

This is a required course for all students. This course focuses on working with algebraic expressions, particularly linear and quadratic forms, logarithmic, trigonometric, and polynomial functions, and powers and roots. Algebra concepts are frequently shown in real-world situations and the concepts of measurement and transformations learned in geometry are utilized. Students taking this course are *required* to have a graphing calculator. (We recommend TI-83 plus or higher). This course should be taken for credit recovery only.

Geometry

Full Credit **Open to Grades 9-12** **Prerequisite: YES Algebra 1**

Reading is a major emphasis of this course, and daily practice is critical to student success. Content areas include the study of properties of geometric figures, coordinates, measurement, transformations, similarity, congruence, three-dimensional, and proof writing. Student projects are possible in this course. Students taking this course are *required* to have a graphing calculator (We recommend TI-83 plus or higher). This course should be taken for credit recovery only.

Consumer Math**Full Credit** **Open to Grade 12****Prerequisite: One year of Algebra and one year of Geometry**

Consumer Math is an elective course open to seniors only. It concentrates on practical applications of mathematics. Some of the topics included in the course are money management, budgeting, car purchases, house purchases, taxes, investments, and insurance. Students should have taken an Algebra and Geometry course before this course. This is not a college preparatory course. Students taking this course are required to have a graphing calculator. (We recommend TI-83 Plus or higher).

English I**Full Credit** **Open to Grade 9****Prerequisite: none**

English I utilizes Common Core standards with a thematic analysis to improve reading, writing, media, and speech communication. Reading covers selections of both fiction and non-fiction from a variety of genres and time periods that align with the themes of "You are Here," "My Network," "Can you Hear Me Now?" and "Reaching Out." Composition includes expository, narrative, and persuasive essays. The research process is introduced through the completion of projects using MLA format and technology. Effective communication is honed through attention to grammar, mechanics, usage, and style. Additional workbook and/or paperback book expenses can be expected. This course should be taken for credit recovery only.

English II**Full Credit** **Open to Grade 10****Prerequisite: Credit in English 9**

English II is a thematic analysis of literature and informational texts that encourages students to critically read, apply, analyze, evaluate and create complex ideas. Students will develop their individual and collaborative skills in active reading and listening, oral communication, visual literacy, composition, and language and vocabulary. This course is aligned with and designed to enhance skills required by English/Language Arts Common Core standards. Additional workbook and/or paperback book expenses can be expected. This course should be taken for credit recovery only.

English III**Full Credit** **Open to Grade 11****Prerequisite: English 9 and American Literature**

English III is a thematic analysis of both literary and informational text. The literature of the course will reflect essential questions like: "What is the relationship between science and nature? What is the price of success? How does culture define our vision of success?" Students will learn to engage in both rhetorical and literary analysis and continue to develop their composition skills. Additional workbook and/or paperback book expenses can be expected. This course should be taken for credit recovery only.

Introduction to Life Science**Full Credit** **Open to Grade 10****Prerequisite: Counselor Recommendation only**

Introduction to Life Science fulfills the Ohio core biological science graduation requirement. The subject matter provides an introduction to the study of the fundamentals of living things: ecology, biochemistry, cells, genetics, evolution and classification. Learning experiences include inquiry problem-solving and critical thinking. Applications to everyday life are emphasized throughout the course.

Physical Science**Full Credit** **Open to Grade 9****Prerequisite: Counselor Recommendation only**

Introduction to Physical Science fulfills the Ohio core physical science graduation requirements. It provides the fundamentals of science content and process for subsequent science courses. It is taught using the investigative, inquiry, and problem-solving approach. Emphasis is placed on the physical nature of our planet and the forces and motions governing the universe. Introduction to Physical Science explores the materials, processes, history and environment of the earth and the practical application of science to everyday life.

Biology**1 Credit** **Open to Grades 9-10****Prerequisite: One credit of physical science OR Counselor Recommendation only**

Biology is a high school level biological science course which satisfies the Ohio Core science graduation requirements. The subject matter provides an introduction to the study of the fundamentals of living things: ecology, biochemistry, cells, genetics, evolution and classification. Learning experiences include inquiry, problem-solving and critical thinking. Laboratory experiences, including moderate dissection are emphasized throughout the course. Attendance at and participation in lab activities is a required and integral part of the course.

Spanish 1**1 Credit** **Open to Grades 8-9****Prerequisite: Enrolled in Spanish 1 during the 2020-2021 school year**

Serves as an introduction to the language. Listening, speaking, and vocabulary development are stressed during the first year. Reading and writing skills are initiated to aid in transition to second-year studies. An awareness of Spanish culture is fostered. The purchase of a workbook may be required.

✓ **All courses are subject to cancellation based on lack of enrollment.**

All courses and programs are offered by the Lakewood City School District without regard to race, color, religion, national origin, creed, gender, marital status, disability, or age in its educational programs, activities, employment policies or admission policies and practices as required by Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973.
