

Lakewood Athletics COVID Protocols

OUTDOOR SPORTS AND ACTIVITIES:

1. There are **NO** restrictions for outdoor sports
2. We are recommending that spectators, players and staff practice 3ft-6ft social distancing when they can, use hand sanitizer/frequent hand washing as mitigation before, during and after outside events.
3. Mask use is up to the individual.
4. Tickets can be purchased online or at the gate with cash. Here is the link:
<https://www.payschoolsevents.com/events/org/lakewood-city-schools-athletics>
5. There are **NO** restrictions on the number of spectators.

INDOOR SPORTS AND ACTIVITIES:

1. All people entering a district building must wear a mask.
2. Student athletes do not have to wear a mask when actively participating in practice, games, open gyms and weight lifting. During volleyball games (HS & MS) the players must wear masks while on the bench and in the stands.
3. Student athletes and coaches do not have to wear a mask when eating and drinking.
4. Coaches must wear a mask in the building while coaching.
5. Student athletes (basketball open gym, weight lifting & wrestling) must wear a mask when entering and leaving the building. For clarity--when a student athlete leaves the practice area for water, restroom, locker room, etc... they must wear a mask. The mask can be taken off once the student athlete returns to active participation or when they are out of the building.
6. At this time, outdoor sports do not have to wear masks unless your team comes into the building.
7. Tickets can be purchased online or at the gate with cash. Here is the link:
<https://www.payschoolsevents.com/events/org/lakewood-city-schools-athletics>
8. There are **NO** restrictions on the number of spectators.

ALL TEAMS--Please continue to utilize hand sanitizer, frequent hand washing and social distancing (3ft-6ft) when appropriate inside and outside. I have masks in the office, if you need them. These protocols may be updated at any time.

COACH AND STUDENT COVID 19 CONTACT TRACING AND QUARANTINE:

1. Coach/Parent must contact the district nurse (Kathleen.Corrigan@lakewoodcityschools.org) and the Athletic Director (Sean.Jackson@lakewoodcityschools.org) when a student is reported to be showing symptoms or possibly been exposed.
2. If directly exposed outside school/school activities and completely vaccinated - no quarantine unless signs/symptoms of illness.
3. If directly exposed outside school/school activities and not vaccinated - 10 day quarantine and no symptoms OR 7 days with a negative test day 5 or later and no symptom.
4. If the students tests positive, 10 days after onset of symptoms and must be symptom free.
5. Students with signs/symptoms of illness may not participate in any school related activities until resolved and cleared by the school nurse.
