Mr. Sean D. Jackson, M.Ed., CMAA, Director of Athletics

September 14, 2018

It's hard for me to believe that this is the sixth year for my family and I living in Lakewood. Through the past 5 years, we have come a long way:

1. Instituted team fundraising through the LHS Athletic Boosters. The total fundraising of our teams has reached as high as \$89,000.
2. Lakewood has had the opportunity to host several state playoffs in Baseball, Track and Field, Football, Soccer, Basketball and Volleyball.
3. Lakewood will host the 2018-2019 Boys D I District Basketball tournament (former Strongsville site). This is a big deal©
4. These OHSAA tournaments help the LHS Athletic Boosters sell concessions. This money is put right back into our programs.
5. The Athletic Department budget has been balance for the past 3 years.
6. Access the budget: <http://www.lakewoodcityschools.org/Athletics/Content/21370>
7. We have on property storage for our uniforms and two washing machines and two dryers to get the most use out of our uniforms.
8. All teams' grades 7-12 have received new uniforms on a 4 year replacement cycle.
9. We all worked through over 30 months of construction with well over half of our high school teams being transient for practice and games for over 30 months.
10. We have a beautiful new 22,000 sq. ft. high school gym and a wonderful weight room that rivals many small colleges.
11. We have weight room supervisors for students to lift all year round.
12. We have moved our Track and Field discus area back to the north lot.
13. We have built a turf softball infield and a multi-purpose grass area.
14. We have three new elementary school gymnasiums. There are 12 gymnasiums in the district:
 - a. LHS, Garfield, Harding, Lincoln, Harrison, Hayes, Horace Mann, Emerson, Roosevelt, Grant, Taft, Franklin.
15. We replaced the swimming time board with the help of Side Effects, Inc. fundraising, LRST and the LHS Athletic Boosters. The project totaled \$19,000. The project will continue to raise funds for the Athletic Department as we sell advertisement on a 4 year cycle.
16. We have a coaching manual for our staff to reference. This is a living document that will be amended every year when we are faced with new challenges.
17. We have a functional athletic page with real time schedules that is easily accessible for Lakewood students, staff, parents and community members.
18. The department eliminated check writing. All officials are paid through the Arbiter system.
19. I ran for the Northeast District Athletic Board in 2015 to give Lakewood better representation at the state level and an inside view of tournament assignments, rules and regulations. I have been honored to serve in this role the past 3 years. My term expires in 2021.
20. In 2015, we won the OHSAA Commissioners Exceptional Sportsmanship Award.
21. We have continued to maintain an overall 3.00 grade point average for all our athletic teams in the past 5 years.
22. We have added Bowling, middle school Softball and Indoor Track and Field. Last year, we had one coed Bowling team. This year we should be able to field a girls' and boys' team.
23. We have access to the new Indoor Track for our athletic teams.
24. Here are the conferences that Lakewood have been a member: Lake Erie League 1923-2007, Northeast Ohio Conference 2007-2012, West Shore Conference 2012-2015, Southwestern Conference 2015-.
25. We have so much more to do!

2013 forward...
