

West Shore Career-Technical Education District is dedicated to offering students the opportunity to earn college credit through West Shore Career-Technical College Link. Earning college credit requires acceptable performance in the CTE program. Individual colleges maintain their own criteria. Agreements are subject to change. College credit will not be granted if a specific criterion is not met. In general, most colleges require a 2.0/2.5 cumulative grade point average (CGPA) and a 2.75/3.0 GPA for duration of the Career-Technical program. A student interested in earning college credit through their CTE program should complete all necessary paperwork and meet deadlines. Below are the different options to college credit opportunities for West Shore Career-Technical students.
