

Ganley Westside Imports is presently seeking Express Technicians.

Required skills: Include, but are not limited to:

- Knowledge of automobiles
- Effective analytical and communication skills
- Excellent reading, computer, and mathematics skills
- Ability to learn new technology and repair and service procedures and specifications

Job Requirements:

As an Express Technician, you must be highly self-motivated. You must also be highly detail-oriented with solid organizational and time-management skills. It is also important that you have excellent verbal and written communication and interpersonal skills, with strong customer service and active-listening abilities.

Specific qualifications for the Express Technician position include:

- Basic automotive knowledge or training a plus.
- Some weekend hours on rotating schedule are required
- Valid driver's license and good driving record

We Offer with full time:

- Health insurance
- Dental Insurance
- Paid Vacation
- 401K plan
